- 3. Click the **Search** button to refresh the list on the right side of the page.
 - Individual events of any activity types checked in the list are included, provided they fall within the searched date range.
 - The circled numbers indicate how many of each activity type were found in the searched date range. Unchecked types return 0 results.
 - All activity types are selected by default. Uncheck the box above the list to deselect all types, then select the boxes for any types of activity you are interested in.
